

## 30mm Aluminium Screw Caps

30mm screw cap are commonly used for small beverages, mineral water, condiments (e.g. soy sauce, vinegar), health care products (e.g. oral liquid), cosmetics (e.g. serum) and pharmaceutical packaging.

It is lightweight, well sealed and corrosion resistant, suitable for containers that need to be opened frequently or for one-time use. Some high-end beverages (e.g. sparkling water, craft beer) also use aluminum caps to enhance the texture, with plastic or glass bottles, taking into account the practicality and aesthetics.
