

## 30x60mm Aluminum Cap

30X60 mm aluminum caps are engineered for optimal functionality in liquor, whiskey, rum, and gin bottle applications. Made from durable metal and designed with a non-spill feature, these caps ensure secure sealing while maintaining product integrity.

Measuring 30x60mm and weighing just 5g, this cap is lightweight yet durable, meeting the demands of high-volume production environments.

With the ability to customize colors and logos, they cater specifically to businesses looking to enhance their branding. Certified with ISO9001, these caps reflect a commitment to quality. For businesses seeking reliable and efficient packaging solutions, consider ordering in bulk to maximize savings and streamline supply.

**Application of 30x60mm ROPP Cap:**

- High-end beverages: such as high-end mineral water, carbonated drinks, craft beer or functional drinks in glass bottles, aluminum caps provide high-quality sealing and exquisite appearance.
- Juice and health drinks: Products that need to be protected from light and oxidation, aluminum bottle caps can extend the shelf life.
- Wine: Liqueurs or spirits may use this type of aluminum cap, which is both sealing and decorative.
- Condiments: Glass bottled foods such as olive oil, vinegar, and sauces, aluminum caps prevent oxidation and leakage.
